Dear Sirs,

Please check we did not ever work with weiku.com or post any product photos at their website, all the photos they posted was their infringement, not ours, they even did not get our agreement to post our photos. By the way I received many junk emails everyday from them, pls do us a favor to contact the weiku.com to delete the products and stop to send emails to us, thanks.

The regarding LED product was a very old product and we did not post it for long time, as we did not ever get any business of this product.

Thanks!

Best Regards

Nancy Hua
